On the Subject of Infineedy

[This Space Intentionally Left Blank]

When this needy activates, follow the instructions for that activation.

Note: The instructions may change over time. They are "finalized" when the bomb is loaded. This manual will fetch the most recent version whenever it is refreshed. If the module does not show the three module names below, you are using the wrong manual.

Every Activation

To see the correct rules, please use the HTML version of this manual with JavaScript enabled and an internet connection.
